Fish Consumption Rate Workshop via Webinar
The Department of Ecology is holding Technical Workshops on Fish Consumption Rates related to Sediment Management Standards rulemaking.

Ecology is pleased to invite you to participate in the third of these Fish Consumption Rates Technical Workshops by webinar. This workshop will be held Tuesday, May 15, in Spokane Valley. We received a number of requests to make the workshop available to remote participants , so we are pleased to offer this opportunity.

You may also join the meeting in person.

Below see how to register for the webinar . If you have questions, please contact Adrienne Dorrah at ador461@ecy.wa.gov.

For more information about the workshops, read this news release:
